Here's a great way to say, "I love you." You probably have family members or friends who have questions about the new Medicare prescription drug coverage. It's only natural. So, why not sit down with your loved ones and help them get the answers they need. Visit www.medicare.gov with them or help them with a call to 1-800-MEDICARE. There are also many organizations in your community that can help your loved ones
